Explorer understands that Journey Work is not a substitute for licensed professional help. If Explorer needs medical, psychological, psychiatric, legal, financial, employment, emergency, or crisis support, Explorer should contact an appropriate licensed professional, emergency service, crisis resource, attorney, financial professional, or other qualified provider.

4. Voluntary Participation

Explorer represents and agrees that participation in Journey Work is voluntary and self-directed.

Explorer confirms that:

- Explorer wants to participate;
- Explorer is not being forced, coerced, threatened, or pressured to participate;
- Explorer is not participating because of emergency need;
- Explorer is not participating as a substitute for necessary licensed care due to lack of money, access, insurance, or other resources;
- Explorer is not participating under a court order, employer mandate, family mandate, third-party requirement, or legally binding arrangement unless Bay Oracle has separately reviewed and approved that arrangement in a written agreement signed by all required parties;
- Explorer may decline any optional tool, exercise, ritual, reflection, reading, herbal element, plant-based element, sensory element, symbolic element, or service component;
- Explorer may ask questions before participating;
- Explorer may pause or stop participation, subject to applicable payment, refund, and cancellation terms.

5. Eligibility, Scheduling, and Preparation

Journey Work must be scheduled in advance. It is not available on an impromptu basis.

Bay Oracle may require readiness review, intake, location review, consent review, payment confirmation, preparation steps, safety discussion, and optional-element disclosure before Journey Work begins.

Explorer understands that approval for Journey Work is discretionary. Bay Oracle may approve, delay, modify, or decline Journey Work based on readiness, safety, consent, scope, legality, dependency concerns, crisis risk, preparation status, scheduling, payment, location, or Operator discretion.

Explorer agrees to complete any required preparation steps in good faith.

Bay Oracle may decline to begin Journey Work if required preparation, consent, location, safety, payment, or readiness steps have not been completed.

6. Explorer Responsibility

Explorer remains fully responsible for all personal decisions, interpretations, actions, omissions, life choices, relationships, employment choices, medical choices, psychological care decisions, legal decisions, financial decisions, and outcomes.

Bay Oracle may offer symbolic, intuitive, spiritual, reflective, or experiential perspectives, but Bay Oracle does not decide for Explorer and does not assume responsibility for Explorer's choices or outcomes.

Explorer agrees not to treat any Bay Oracle statement, reading, symbol, card, ritual, intuitive impression, spiritual framing, Journey Work experience, written material, summary, integration conversation, or recommendation as a command, guarantee, professional advice, diagnosis, treatment plan, legal instruction, financial instruction, medical recommendation, psychological recommendation, or required life decision.

7. Tools, Ceremonial Elements, and Optional Participation

Bay Oracle may use spiritual, symbolic, intuitive, reflective, ceremonial, or experiential tools during Journey Work.

These tools may include tarot, oracle cards, psychic framing, intuitive impressions, divination-style reflection, symbolic interpretation, aura-style language, energy-style language, cleanses, grounding exercises, sound tools, silence, guided reflection, symbolic objects, written prompts, ceremonial materials, or related practices.

Explorer understands that these tools are used for reflection, symbolism, spiritual perspective, and personal exploration only.

Such tools are not objective proof, professional assessment, diagnosis, factual determination, guaranteed prediction, medical information, psychological information, legal information, financial information, or required instruction.

Explorer agrees not to rely on any reading, interpretation, symbolic tool, ceremony, or Journey Work experience as the sole basis for major life decisions.

Bay Oracle will not confirm curses, spiritual attacks, hidden dangers, fate, guaranteed future events, spiritual emergencies, or guaranteed spiritual outcomes as fact.

8. Lawful Herbal, Plant-Based, Refreshment, and Sensory Elements

Bay Oracle may offer optional refreshments, sensory props, symbolic tools, or lawful plant-based or herbal elements when separately disclosed and permitted by Bay Oracle policy.

These elements are optional, non-medical, and not intended to diagnose, treat, cure, prevent, mitigate, manage, or improve any disease, condition, symptom, mental health concern, emotional state, burnout, anxiety, trauma, stress, addiction, dopamine issue, nervous system issue, or physical issue.

Explorer understands and agrees that:

- Bay Oracle does not prescribe herbs, supplements, medicines, remedies, diets, treatments, or health protocols;
- Bay Oracle does not provide medical, dietary, supplement, pharmacological, psychological, psychiatric, or health advice;
- Explorer is responsible for allergies, sensitivities, dietary restrictions, medication interactions, pregnancy-related concerns, medical conditions, and personal suitability;
- Explorer should consult a qualified health professional before consuming or using any product if Explorer has health questions or concerns;
- Explorer may decline any herbal, beverage, aroma, sensory, plant-based, or symbolic element.

Access to supplies, symbolic tools, ceremonial materials, or plant-based items does not mean Bay Oracle is providing medical products, treatment products, therapeutic products, health products, regulated professional care, or guaranteed results.

9. No Illicit, Controlled, Psychedelic, or Mind-Altering Substances

Bay Oracle does not provide, facilitate, supervise, recommend, source, or guide the use of illicit substances, controlled substances, psychedelics, MDMA, psilocybin, ayahuasca, ketamine, cannabis unless separately lawful and legally reviewed, or any mind-altering substance.

Explorer agrees not to bring, request, consume, introduce, conceal, or distribute illicit, controlled, psychedelic, or mind-altering substances before, during, or in connection with Journey Work.

Journey Work does not include psilocybin, ayahuasca, MDMA, ketamine, illegal cannabis use, illegal plant medicine, controlled substances, or any substance requiring professional licensure, medical authorization, or legal compliance not separately satisfied in writing.

If Explorer requests, possesses, introduces, or appears affected by illegal, controlled, psychedelic, or mind-altering substances, Bay Oracle may refuse, pause, modify, or terminate Journey Work. Refunds, if any, will follow the applicable written terms.

10. Health, Suitability, and Personal Safety Disclosure

Explorer is responsible for determining whether Journey Work and any optional element are personally suitable.

Explorer agrees to disclose relevant safety concerns that may affect participation, including but not limited to allergies, sensitivities, dietary restrictions, medication interactions, pregnancy-related concerns, medical conditions, mobility needs, environmental sensitivities, current intoxication, impairment, extreme sleep deprivation, or any circumstance that may affect safe participation.

Bay Oracle does not evaluate medical fitness, psychological fitness, psychiatric fitness, legal fitness, or clinical readiness.

Bay Oracle may decline, pause, or modify Journey Work if Explorer's condition, disclosure, non-disclosure, environment, or conduct creates safety, consent, scope, or boundary concerns.

11. Location, Environment, and Third-Party Presence

Journey Work must occur in a location Bay Oracle determines to be reasonably safe and appropriate.

Explorer agrees to disclose relevant location details before the session, including access issues, privacy concerns, security concerns, pets, other people present, building rules, parking or entry issues, environmental hazards, weapons, substances, cameras, recording devices, or any other factor that may affect safety, consent, privacy, or service scope.

Explorer agrees that no third party may participate, observe, interrupt, record, pressure, supervise, or influence Journey Work unless Bay Oracle approves in advance.

Bay Oracle may refuse, pause, relocate, modify, or terminate Journey Work if the setting becomes unsafe, coercive, disruptive, intoxicated, hostile, improperly recorded, unclear, or outside the agreed scope.

12. Right to Pause or Stop

Explorer may pause or stop participation at any time.

Bay Oracle may also pause, modify, or terminate Journey Work if safety, consent, scope, readiness, location, privacy, legal, operational, or boundary concerns arise.

Pausing or stopping Journey Work does not mean Bay Oracle has provided medical, psychological, crisis, or professional care.

If Journey Work is paused or stopped, refunds or rescheduling will be handled according to the applicable written terms and the circumstances of the pause or termination.

13. No Guaranteed Outcomes

Bay Oracle does not guarantee any result, outcome, benefit, prediction, transformation, relief, spiritual experience, emotional change, relationship result, employment result, financial result, health result, legal result, future-service eligibility, or life result.

Explorer understands that all experiences are subjective and may vary.

Bay Oracle does not guarantee:

- healing;
- transformation;
- emotional relief;
- spiritual breakthrough;
- vision;
- mystical experience;
- reduced stress;
- reduced anxiety;

- medical improvement;
- psychological improvement;

- relationship improvement;
- career success;
- financial gain;
- spiritual protection;
- psychic accuracy;
- future prediction;
- crisis resolution;
- Explorer satisfaction.

Journey Work is offered as a reflective, symbolic, spiritual, intuitive, ceremonial, and experiential opportunity only.

14. Crisis and Emergency Limitations

Journey Work is not a crisis service.

Bay Oracle does not provide suicide intervention, emergency care, abuse intervention, domestic violence intervention, medical emergency response, psychiatric crisis support, or harm-prevention services.

If Explorer is in immediate danger, may harm themselves, may harm another person, is experiencing a medical emergency, is experiencing abuse or danger, or cannot remain safe, Explorer should contact emergency services, 988 in the United States for suicide or crisis support, a qualified crisis resource, medical provider, trusted person nearby, or other appropriate immediate support.

If Bay Oracle becomes aware of immediate safety concerns, Bay Oracle may stop Journey Work and direct Explorer to crisis, emergency, medical, legal, or other appropriate support. Bay Oracle may also disclose limited information if disclosure is required or permitted by law, necessary to address immediate safety concerns, necessary to respond to legal process, or necessary to defend Bay Oracle against claims.

Explorer understands that Bay Oracle cannot promise absolute confidentiality where safety, legal process, abuse reporting requirements, emergency circumstances, or legal defense needs are involved.

15. Confidentiality and Privacy

Bay Oracle will make reasonable efforts to keep Explorer communications private and confidential.

Bay Oracle will not intentionally disclose private Explorer Journey Work information except as described in this Agreement or as otherwise permitted by Explorer.

Bay Oracle does not sell Explorer information. Bay Oracle does not intentionally collect or capture unnecessary personal data, and will keep only limited information needed for scheduling, payment, consent, basic administration, Journey Work operation, safety documentation, or legally appropriate recordkeeping.

Bay Oracle may disclose Explorer information only when legally required, reasonably necessary to operate the service, authorized by Explorer, or necessary in limited circumstances such as:

- scheduling;
- payment processing;
- basic business administration;
- legal consultation;
- tax or accounting purposes;
- insurance purposes;
- responding to legal process;
- defending against claims or threatened claims;
- addressing immediate safety concerns;
- complying with law;
- reporting where required or permitted by law;
- preventing or responding to threats, harassment, extortion, abuse, fraud, or unlawful conduct;
- protecting Bay Oracle, Explorer, or others from serious harm.

Bay Oracle does not provide attorney-client privilege, physician-patient privilege, therapist-patient privilege, psychotherapist-patient privilege, clergy privilege, or any licensed professional confidentiality privilege unless separately established by applicable law.

16. Explorer Confidentiality, Non-Disclosure, No Recording, and No Reproduction

Explorer agrees to respect the confidentiality, privacy, proprietary methods, original materials, and Journey Work integrity of Bay Oracle.

Explorer agrees not to:

- audio record Journey Work without prior written permission;
- video record Journey Work without prior written permission;
- photograph private Journey Work materials without permission;
- livestream Journey Work;
- secretly record calls, video sessions, or in-person sessions;

- publish private Journey Work content;
- copy Bay Oracle scripts, methods, exercises, rituals, layouts, written materials, readings, prompts, forms, worksheets, summaries, reports, ceremonies, or proprietary presentation;
- reproduce Bay Oracle materials for commercial use;
- teach, sell, distribute, or represent Bay Oracle methods as Explorer's own;
- misrepresent Bay Oracle statements, services, claims, or outcomes;
- disclose private information shared by other participants, if any.

General personal impressions and non-confidential aesthetic inspiration are not prohibited, provided Explorer does not copy Bay Oracle materials, disclose private Journey Work content, record without permission, misrepresent Bay Oracle, or use Bay Oracle's work commercially without permission.

Explorer understands that confidential communications may require consent of all parties before recording. Explorer agrees not to record any Bay Oracle session unless all required parties have clearly consented in advance.

17. Explorer Conduct

Explorer agrees to behave respectfully and safely.

Explorer must not:

- threaten the Operator or others;
- harass the Operator or others;
- act violently or abusively;
- bring illegal substances into Journey Work;
- bring weapons into Journey Work unless legally required for the setting and disclosed in advance;
- attend while intoxicated or unable to consent;
- pressure others to participate;
- record without permission;
- demand services outside scope;
- request illegal activity;
- request crisis handling beyond referral;
- request guaranteed predictions;
- request medical, psychological, legal, financial, or employment advice;
- request curse removal or fear-based spiritual intervention;
- misuse Bay Oracle for stalking, coercion, revenge, manipulation, or harassment of third parties.

Bay Oracle may refuse, pause, modify, or terminate Journey Work if Explorer conduct creates safety, legal, ethical, operational, privacy, or boundary concerns.

18. Pricing, Payment, and Custom Terms

Explorer agrees to pay the price disclosed before Journey Work begins.

Bay Oracle will disclose applicable pricing, estimated duration, service fees, custom charges, travel charges if any, preparation charges if any, material charges if any, refund terms, cancellation terms, and payment schedule before Journey Work begins.

Journey Work may involve reserved time, preparation, travel, location planning, safety review, materials, or other special commitments.

No optional element is required unless expressly agreed. Bay Oracle will not charge for optional add-ons unless Explorer agrees before the add-on is performed.

If Journey Work is extended beyond the originally agreed time, any additional charge must be disclosed and accepted before paid extension occurs.

19. Refunds, Cancellation, and Rescheduling

Bay Oracle does not guarantee Explorer satisfaction, specific results, emotional relief, spiritual experience, accuracy, transformation, or any particular outcome.

Refunds are based on the cancellation rules below and any written Journey Work booking terms, not on whether Explorer liked, agreed with, or felt satisfied by Journey Work.

Journey Work must be scheduled in advance and is not impromptu.

Bay Oracle does not charge a cancellation fee for ordinary Journey Work cancellation unless a separate written booking term states otherwise.

If Explorer cancels before Journey Work begins:

- there is no cancellation fee unless separately disclosed in writing;
- if no payment has been made, no fee is owed;
- if payment has already been made, refund eligibility follows the written Journey Work terms.

If Bay Oracle, Charlie Safari, or the Operator cancels paid Journey Work for any reason attributable to Bay Oracle, a full refund will be issued unless Explorer voluntarily accepts rescheduling or another written remedy.

If Journey Work has already begun and Explorer stops participation, refund eligibility depends on the written Journey Work terms, time used, materials used, travel or preparation already incurred, and whether Bay Oracle caused the cancellation.

Bay Oracle may limit, pause, or refuse future service if cancellation, refund, rescheduling, no-show, chargeback, or payment behavior becomes abusive, fraudulent, coercive, threatening, repeated in bad faith, or disruptive to Bay Oracle operations.

20. No Satisfaction Guarantee

Bay Oracle does not provide a satisfaction guarantee.

Explorer is not automatically entitled to a refund because they:

- disliked Journey Work;
- disagreed with a symbolic interpretation;
- did not receive a desired answer;
- did not experience a desired feeling;
- did not obtain a desired outcome;
- changed their mind after the refund window;
- expected therapy, treatment, prediction, certainty, psychedelic facilitation, plant-medicine treatment, or professional advice despite this Agreement.

21. Communication Outside Journey Work

Bay Oracle does not provide unlimited or ongoing support before or after Journey Work.

Permitted outside-session communication may include:

- scheduling;
- payment;
- logistics;
- preparation clarification;
- brief follow-up where appropriate;
- administrative communication.

Bay Oracle does not provide by text, phone, email, social media, or messaging:

- crisis support;
- emergency support;
- ongoing emotional processing;

- repeated divination questions;
- medical advice;
- psychological advice;
- legal advice;
- financial advice;
- life decision-making;
- dependency-style contact;
- urgent reassurance loops.

Bay Oracle may decline to respond to messages outside scope.

If Explorer is in crisis or danger, Explorer should contact emergency services, 988, a crisis resource, trusted person nearby, medical provider, or appropriate professional support.

22. Refusal, Pause, or Termination of Journey Work

Bay Oracle may refuse, pause, modify, reschedule, or terminate Journey Work if Bay Oracle determines that service is unsafe, outside scope, inappropriate, unlawful, unethical, coercive, unclear, dependency-producing, crisis-adjacent, ineffective, or inconsistent with this Agreement or Bay Oracle's internal protocols.

Reasons may include, but are not limited to:

- crisis indicators;
- suicidal language;
- harm-to-others threats;
- medical emergency;
- abuse disclosure requiring outside support;
- Explorer inability to consent;
- intoxication or impairment;
- requests for illegal substances;
- requests for psychedelic or mind-altering facilitation;
- requests for medical, psychological, legal, financial, or employment advice;
- repeated demand for guaranteed prediction;
- repeated fixation;
- dependency behavior;
- threats, harassment, abuse, or unsafe conduct;
- recording without consent;
- unsafe location;
- third-party pressure or coercion;
- refusal to accept non-clinical scope;
- refusal to accept pricing, consent, privacy, recording, safety, or boundary terms;
- incomplete preparation or intake requirements;
- readiness concerns.

If Journey Work is terminated, refund or rescheduling will be handled according to written policy and applicable law.

23. Assumption of Ordinary Risks

Explorer understands that Journey Work may involve personal reflection, symbolic interpretation, emotionally meaningful conversation, spiritual themes, ceremonial structure, extended session time, sensory elements, or exposure to ideas that may feel surprising, uncomfortable, challenging, disappointing, confusing, or emotionally activating.

Explorer voluntarily assumes ordinary risks associated with participating in non-clinical spiritual, symbolic, reflective, ceremonial, and experiential services, including but not limited to:

- subjective dissatisfaction;
- emotional discomfort;
- disagreement with interpretations;
- unexpected feelings;
- symbolic confusion;
- lack of desired outcome;
- personal reflection after session;
- disappointment;
- changed perspective;
- post-session distress not caused by unlawful conduct;
- Explorer decisions made after session;
- ineligibility for future services;
- ordinary risks related to optional refreshments, sensory props, symbolic tools, grounding practices, ceremonial materials, or lawful plant-based or herbal elements.

Explorer understands that Bay Oracle does not guarantee that Journey Work will feel positive, accurate, healing, comforting, satisfying, useful, successful, meaningful, spiritual, or complete.

24. Release and Waiver of Claims

To the maximum extent permitted by California law, Explorer releases, waives, and agrees not to bring claims against Bay Oracle LLC, Bay Oracle, Charlie Safari individually, and any representatives, agents, contractors, successors, assigns, or affiliated persons for claims arising from ordinary risks, subjective dissatisfaction, emotional discomfort, personal interpretation, spiritual disagreement, Explorer decisions, third-party reactions, post-session distress, lack of desired outcome, ineligibility for future services, or outcomes not guaranteed by Bay Oracle.

This release includes ordinary risks related to optional refreshments, sensory props, symbolic tools, grounding practices, ceremonial materials, and lawful plant-based or herbal elements, including subjective discomfort, dissatisfaction, personal unsuitability, unexpected reaction, or post-session distress not caused by unlawful conduct.

This release does not apply to claims that cannot lawfully be waived, including claims arising from fraud, willful misconduct, gross negligence, criminal conduct, intentional harm, violations of law, or other conduct for which liability cannot be limited under applicable law.

Explorer understands that this waiver is intended to be as broad as legally permitted, while preserving any rights that cannot lawfully be waived.

25. Limitation of Liability

To the maximum extent permitted by law, Bay Oracle's total liability for claims arising from or related to Journey Work shall not exceed the amount actually paid by Explorer to Bay Oracle for the specific Journey Work service giving rise to the claim, or one hundred dollars (\$100), whichever is greater.

This limitation does not apply to liability that cannot lawfully be limited, including liability for fraud, willful misconduct, gross negligence, criminal conduct, intentional injury, violations of law, or other non-waivable claims.

Explorer understands and agrees that Bay Oracle does not accept liability for Explorer decisions, Explorer interpretations, third-party actions, employment outcomes, relationship outcomes, financial outcomes, medical outcomes, psychological outcomes, legal outcomes, spiritual outcomes, future-service ineligibility, or events outside Bay Oracle's direct control.

Bay Oracle is not liable for issues arising from Explorer's undisclosed allergies, sensitivities, dietary restrictions, medication interactions, medical conditions, personal suitability, location conditions, third-party presence, concealed substances, or voluntary use of optional refreshments, sensory props, symbolic tools, ceremonial materials, or lawful plant-based or herbal elements, except where liability cannot lawfully be limited.

26. Indemnification

To the maximum extent permitted by law, Explorer agrees to defend, indemnify, and hold harmless Bay Oracle LLC, Bay Oracle, Charlie Safari individually, and any representatives, agents, contractors, successors, assigns, or affiliated persons from and against claims, losses, damages, liabilities, costs, expenses, and attorney fees arising out of or related to:

- Explorer’s breach of this Agreement;
- Explorer’s misuse of Bay Oracle services;
- Explorer’s recording, publishing, reproducing, or misrepresenting Bay Oracle content;
- Explorer’s false statements;
- Explorer’s threats, harassment, blackmail, extortion, or coercive conduct;
- Explorer’s unlawful conduct;
- Explorer’s violation of another person’s rights;
- Explorer’s disclosure of other participants’ private information, if any;
- Explorer’s failure to disclose relevant safety, consent, medical, location, third-party, or substance concerns;
- Explorer’s decisions or actions after receiving Bay Oracle services;
- Explorer’s misuse of Journey Work materials, rituals, summaries, symbolic tools, or ceremonial elements;
- claims arising from Explorer’s concealed substances, undisclosed third-party presence, or unsafe location conditions.

This clause does not require indemnification where prohibited by law.

27. No Professional Relationship Beyond Agreement

Explorer understands that this Agreement does not create any professional licensed-care relationship, fiduciary relationship, therapist-client relationship, physician-patient relationship, attorney-client relationship, financial advisor-client relationship, employment advisor-client relationship, clergy relationship, emergency-care relationship, or crisis-support relationship.

The relationship is limited to the paid or agreed Bay Oracle spiritual, symbolic, intuitive, reflective, ceremonial, and experiential Journey Work service described in this Agreement.

28. Intellectual Property and Proprietary Materials

Bay Oracle retains ownership of its original materials, methods, scripts, prompts, rituals, worksheets, service names, branding, written content, session structures, exercises, symbolic frameworks, summaries, ceremonies, and proprietary presentation.

Explorer receives only a limited, personal, non-transferable right to participate in Journey Work.

Explorer may not copy, reproduce, teach, publish, sell, distribute, adapt, record, livestream, commercialize, or misrepresent Bay Oracle materials or methods without prior written permission.

29. Privacy, Records, and Data

Bay Oracle may maintain limited business and safety records, including booking details, payment records, consent records, service type, session date, refund status, readiness status, optional-element disclosure, location notes, and factual incident logs where necessary.

Bay Oracle does not maintain medical records, therapy records, psychiatric records, clinical notes, or treatment records.

Bay Oracle may use third-party platforms for booking, payment, forms, email, text, or video services. Explorer understands that third-party services have their own privacy and security terms.

Bay Oracle will make reasonable efforts to protect Explorer information but cannot guarantee absolute security of electronic communications or third-party platforms.

30. Recording Policy

Journey Work is not recorded unless all required parties agree in advance.

Explorer may not record audio, video, phone calls, online meetings, in-person sessions, ceremonies, or private conversations without prior written permission from Bay Oracle and any other required participants.

Bay Oracle may refuse, terminate, or take legal action if Explorer records without consent.

31. Testimonials, Reviews, and Public Statements

Explorer may leave honest reviews based on Explorer's personal experience, provided Explorer does not make knowingly false statements, disclose private information of others, misrepresent Bay Oracle services, or claim that Bay Oracle provides guaranteed outcomes, therapy, medical care, psychological treatment, crisis care, psychedelic facilitation, drug-assisted therapy, plant-medicine treatment, certification, or licensed professional services.

Bay Oracle may request permission before using any Explorer testimonial in marketing.

Testimonials must not be used to imply guaranteed results, medical benefits, psychological benefits, cure, treatment, crisis resolution, spiritual breakthrough, Journey Work outcomes, or predictive certainty.

32. Dispute Resolution

The Parties agree to first attempt to resolve any dispute informally and in good faith.

Before filing a lawsuit or arbitration, the complaining Party should provide written notice describing the dispute and allow at least thirty (30) days for informal resolution, unless immediate legal action is necessary to prevent harm, preserve rights, comply with legal deadlines, address unlawful conduct, or seek emergency relief.

Optional future dispute procedures, including arbitration or small claims procedures, may be added only by written agreement.

Until a separate arbitration clause is adopted in writing, this Agreement does not require binding arbitration.

33. Governing Law and Venue

This Agreement shall be governed by the laws of the State of California, without regard to conflict-of-law rules.

Subject to any valid dispute-resolution provision, venue for disputes shall be in a court of competent jurisdiction in California, unless another venue is required by law or agreed in writing.

34. Severability

If any part of this Agreement is found unenforceable, invalid, void, or unlawful, the remaining parts shall remain in effect to the fullest extent permitted by law.

Any unenforceable provision shall be modified to the minimum extent necessary to make it enforceable, if permitted by law. If modification is not permitted, the provision shall be severed and the remainder of the Agreement shall continue.

35. Entire Agreement

This Agreement, together with any booking confirmation, written pricing confirmation, written Journey Work preparation terms, or written service-specific terms, constitutes the entire agreement between the Parties regarding Journey Work.

This Agreement supersedes prior oral or written statements regarding the same service.

No verbal statement modifies this Agreement unless confirmed in writing by Bay Oracle.

36. Amendments

Bay Oracle may update its agreements, policies, pricing, service descriptions, refund terms, eligibility requirements, and protocols from time to time.

The version accepted by Explorer at booking or service time governs that service unless otherwise agreed in writing.

Any material change for scheduled Journey Work should be disclosed before the affected service begins.

Explorer specifically acknowledges:
